

In Search of a *Healthy* Career Opportunity?

Lake Charles Medical & Surgical Clinic, LLP, offers you a unique opportunity to join a dynamic, partner-owned group of board certified physicians who utilize today's most innovative and effective diagnostic and treatment techniques. Our four-story, multi-specialty clinic is centrally located in the heart of Lake Charles and our network of satellite offices allow us to extend our reach throughout our community.

The Clinic's laboratory and imaging services are all under the same roof, and our main clinic is attached to Christus St. Patrick Hospital by an enclosed skybridge, so our physicians have immediate access to the hospital. Our in-house endoscopy suite brings comfortable, convenient patient care to a new level. And our highly respected research department conducts a wide range of Phase II through Phase IV drug trials on the forefront of medicine. It's no wonder Lake Charles Medical & Surgical Clinic is the region's leading multi-specialty group.

We are looking for board certified or board eligible physicians who possess a special blend of compassion, ambition and love for their work.

If you want to practice medicine in a multi-specialty clinic with an excellent compensation system, The Clinic is the right place for you. Our competitive salary and benefits package includes health, disability and dental insurance, malpractice insurance, vacation, 401(k), sign-on bonus and reimbursement for moving expenses. We offer a high income potential with a first-year salary guarantee and partnership opportunities.

In the Heart of Beautiful Southwest Louisiana.

Lake Charles Medical & Surgical Clinic is based in Southwest Louisiana -- one of the most beautiful and culturally diverse areas of the South. The five-parish market population we serve in Southwest Louisiana is 300,000 strong and developing. Economic indicators are all on the rise, while the cost of living is below the national average. Petrochemical, aerospace, timber, agriculture, seafood and gaming industries predominate.

From the natural beauty of the surrounding lakes, marshlands and forests to the excitement of Vegas-style gaming; from our active arts community to the ample hunting and fishing opportunities, there is never a lack of entertainment and cultural diversity. The area is a mixture of sights, sounds and tastes set in beautiful Cajun Southwest Louisiana.
